January Snow Day Fun!

Transformed

New faces, new games, a new overnigher, a new theme... all at the same great place, CBX!

I am sure I do not need to tell you that summer is almost here! We are busy at Cross Bar X planning an amazing summer and can't wait to have you here enjoying the water slide, horses, ropes course, lake and learning a ton about God! We have our counselors (some familiar faces, and some new ones). We have new games and activities, and we have an exciting theme for the summer...Transformed.

I am sure you have heard of things being transformed; a caterpillar into a butterfly, a piece of clay into a statue, seed into a flower. Did you know however, that Christ is transforming you? 2 Corinthians 3:18 says that "(you), who with unveiled faces all reflect the Lord's glory, are being transformed into his likeness with ever-increasing glory, which comes from the Lord, who is the Spirit." You are

being transformed each and every day into Christ's likeness. This summer we will be talking how being transformed is a journey to become more like Christ and how this journey is full of challenges, adventure, struggles, obstacles and God's glory. As usual, this theme will be filled with funny, crazy, wild and extreme activities, skits and games.

So do not hesitate to sign up. We have our wild Co-ed Falcon camps in June, our week-long Eagle camps in July (including an all new off camp overnigher and the Highland Games), and our 9 day high school camp that includes backpacking, rafting and the extreme games! Also, do not forget about the week-long Condor backpacking trip, for you older campers who are ready for a big challenge.

Join us June 6th for a camp open house to meet the staff, have lunch and maybe get chance to dunk one of our staff in the dunk tank! We are pumped for the summer to start and can't wait to see you all soon! ■

Camp is filling up!
Don't forget to get your application into camp. We are filling up fast. If you need an application, call the office or go to www.Crossbarx.org and download a new one. Below are the dates for camp:

Are you ready for Condor?

Have you been coming to CBX for years? Are you ready for a new physical and spiritual challenge? Perhaps it's the summer to try one of our Condor Trips. You'll get to backpack for 4 days through snow fields, beautiful meadows, and between awesome mountains that very few people will ever see. Try building your own fire, learning outdoor skills and putting them to use while packing everything you'll need on your back! We limit the trips to 10 campers, so there will be tons of time for awesome talks with your friends and leaders. Sign up soon to join the adventure!
